Room at the Inn

St. Louis County, Missouri

Room at the Inn, is a temporary, emergency shelter program for homeless women and families. We empower program participants to create solutions to their homelessness through education, referrals and case management. We serve approx. 150-200 clients per year, including single mothers with children, single women, two-parent or single-father families. With a program capacity of 20 clients per day, we assist individuals experiencing homelessness throughout the St. Louis area. Sponsored by the Sisters of Divine Providence, since 1993, Room at the Inn is a 501(c)(3) non-profit agency, incorporated in Missouri.

Room is supported by a network of approx. 2,000 annual volunteers. We partner with more than 50 interfaith, night-site congregations that represent 15 faith traditions and a wide range of socioeconomic backgrounds. We collaborate with multiple outside agencies to make needed services available for our clients. Room at the Inn serves as the catalyst which makes it possible for the community to help the homeless.

We host RATI on the 5th weekend of the month, by welcoming clients into our Fellowship Hall. It takes many hands to bring this ministry to program participants. We will be hosting on January 31/February 1. Please contact Joan Ballam if you'd like to help. JMBallam@gmail.com

The Melody in Our Hearts

Hello Church,

On Feb. 7th at 7:00 PM, at Grace Episcopal Church at 514 E Argonne Dr, Kirkwood, MO 63122, Webster United Methodist will be participating in a joint worship service called "The Melody In Our Hearts". It will be in conjunction with The Way Ministries and Faith Christian Church of India and will feature worship music from the different congregations represented.

The Mountain Service Worship Band will be representing WUM at this service. Each worship band will play two songs with prayer and then join all together for two songs.

We would love it if you all could join us. This is an amazing opportunity to join in worship with our Christian sisters and brothers from different backgrounds.

I believe it is very important for us to grow our ministry beyond just our home church. This is Wesleyan at its core. John Wesley always pushed his fellow Methodists to not only spread the gospel through worship, but also through community building as well. We can see this in our mission trips, but also in our joint worship services.

If you have any questions, please let me know via email, or in person. I would love to see you there!

Peace and Grace,
Joshua Krakos, Assistant Pastor
