

## Children's 2021 Commitment Card

Dear Parent,

**We are all disciples-in-the-making**, and so it is important that we each make our own commitment of our prayers, presence, gifts, service, and witness to God through the church. Upon their baptism, you probably made the commitment vows of support to the church on behalf of your child, but now it is time to help **them** see themselves as valued participants in the life of **their** church, Webster United Methodist.

**We encourage you to discuss** with your children how *you* share your prayers, presence, gifts, service, and witness. Help them to imagine ways they can also share as a disciple of Christ. We ask that you help your child fill out their own commitment card and mail it back to the church, or drop it off in the basket marked "Pastor Sharon". Please note, we believe the act of making the promise and the practice of keeping the promise later is far more important than the amount.

If you have any questions about this, please contact any one of your Stewardship Team.
